

**Grant Application
For
Development of Aeromodelling Facilities
In
Western Australia
From Aeromodellers (W.A.) Inc.**

Version 1.032008

GRANT GUIDELINES

1. Grant applications can be for amounts from \$500 to \$15,000
2. The AWA will only make grants to a maximum of \$30,000 in a financial year. This amount can be reviewed and club secretaries advised prior to the end of the financial year for applications in the following financial year.
3. Grants for new fields will be given priority and then they will be assessed by lodgment date.
4. Clubs must have a minimum of 10 members to be considered for a grant.
5. Retrospective applications will not be accepted.
6. Any expenditure must be made after the grant is approved.
7. A grant for development will only be made available to clubs who have a lease for a minimum of 5 years (usually with a further 5 year option) or ownership of their club site. Applicants need to have at least 2 years of lease left before renewal.
8. A grant will be considered for legal costs of a lease on a new flying site.
9. The club will be expected to contribute towards the cost of any development.
10. Please submit quotes for materials and labour. Costings can include the contribution of labour or goods at cost from club members. Payments will only be made after an invoice from the supplier is presented.
